

4SKÖR is a dynamic and sophisticated vocal quartet that incorporates tight harmonies and smooth arrangements in an energetic and infectious style all their own. The group is equally at home performing a cappella or with their trio. Their sound is unique and modern with hints of jazz, latin, R&B, funk, pop and fusion.

Sara, Pete, Kylie and Sean crossed paths during high school and stayed in touch through diverse music competitions and ensembles while studying and building their professional music careers.

4SKÖR has performed at various events in and around the Toronto area including The Oakville Downtown Jazz Festival, Beaches International Jazz Festival, Musicfest Canada, Sing! Vocal Arts Festival, 120 Diner, Villa Caledon Inn, The Jazz Bistro and The Distillery District with Heather Bambrick. They are looking forward to performing some new material to be featured on their upcoming debut album!
